

Getting Started with: **beanstack** Mobile App

First things first - download the app!

Search for Beanstack Tracker in your device's app store, download the app.

1. Open the app, tap "Let's Go", then choose "At my library, school or Bookstore"
2. Tap "Yup!": when asked if your library uses Beanstack.
3. Search for *Elgin County Library* by tapping "Find a Site".
4. Tap *Elgin County Library* (ON CAN).
5. Enter your username and password OR Sign up!

Signing up for an account in the app:

1. Tap the Email field to fill in your email. This will be your username.
2. Tap the Password field to create a password. Tap "Continue".
3. Tap the First Name field to enter your first name.
4. Tap the Last Name field to enter your last name. Tap "Continue".
5. Tap the Phone Number field to enter your phone number. This step is optional.
6. Tap "Continue"

After the account is created, there is an option to either "*Fill Out My Reader Profile*" (this must be completed if the account creator wants to participate in a reading challenge) or "*Add a Reader*" (for a family account with the parent not participating in a reading challenge).

***TIP:** Multiple readers can be added to the same account, even if they are registered for different programs.
